MEMORANDUM FOR: Executive Director-Comptroller

SUBJECT : Career Training Program

1. Attached is the quarterly report on the CT Program and highlights the problem of the number of resignations based upon job dissatisfaction.

2. Quite apart from this problem we are initiating a complete review of the Career Training Program with OTR as the focal point for conducting the review. On 9 May I had a briefing on the status of the CT Program and in the course of this briefing a number of issues, inconsistencies and problems were surfaced and discussed. Some were rather basic in nature. It was obvious that these problems could not be dealt with independently as they all interrelated in one form or another. Therefore, we decided to conduct this basic study which in light of the issues involved should eventually be the subject of discussion at one of your Deputies' Meetings. I do not have a timetable at this time but will advise of a prospective completion date as soon as we have sized the problem.
